MODULE 6	MODULE 7	MODULE 8	MODULE 9	MODULE 10
<b>The four Gospels:</b> Why are the four gospels so important in understanding the life of Jesus? Discover foundational truths regarding their purpose and their revelation of things to come.	<b>Bibliology:</b> Where did the Bible come from? How can you historically prove its inerrancy? Why are there different Bible translations? Why are the words of the Bible unique?	<b>End time Theology:</b> What is the shape of things to come? Can we link current technological and political trends with corresponding scripture? Develop an eschatological view based on the Bible.	<b>Survey of the New Testament and General Epistles.</b> The N.T provides us with invaluable doctrine and insight into how the early church lived. In addition, we are able to study their strengths and weaknesses and learn from the strategies the Apostles gave them to persevere and grow in grace and the knowledge of our Lord Jesus.	<b>The Gifts of the Holy Spirit:</b> Explore and analyse scripture with respect to the gifts of the Holy Spirit. Critically analyse opposing arguments for its cessation and the dispensationalism argument. Discuss and review demonstrations of these gifts in the 21st century church.
