

# YAHWEH CHRISTIAN FELLOWSHIP MEMBERSHIP FORM

(Please complete and return  
to an usher or the Church office by e-mail)

We at YCF would formally like to take this opportunity to personally thank you for considering YCF as your home church where we are committed to "Building Families and Raising Leaders".

We have attached a form together with information about membership for your consideration and completion. Below we have outlined a few pointers that you should review before committing your membership to YCF. In essence, membership is a mutual partnership that will have mutual benefits. You can also learn more about YCF through our website [www.ycfinternational.co.uk](http://www.ycfinternational.co.uk) Please note that "acceptance of membership" is conditional upon your agreement to YCF's criteria as outlined below and your commitment to the vision of the Church. We are a Church that wants to grow with you, so your potential input will be invaluable as we seek to serve you and our community.

## Prospective YCF members are expected to be:

- 18+
- Born again.
- Baptised or seeking to be baptised.
- Committed to the vision of YCF (having surrendered all other memberships)
- Submissive and accountable to authority.
- A regular attendee of Kingdom Connect.
- Supportive of YCF activities.
- Sensitive to how your manner and conduct will impact others and represent Jesus Christ.
- Committed to the biblical principles of prayer, worship, fellowship and giving, found in scripture.

Individuals who hold membership at other fellowships must first endeavour to surrender all other memberships in an honourable and biblical manner as YCF is committed to having good relationships with other Churches.

Integration into "YCF Ministry" will be determined by a series of factors and appropriate training. YCF will endeavour to integrate all individuals into the area of ministry that reflects their gifting and will utilise resources both in and outside of the Fellowship in order to aid your spiritual development.

YCF encourage all members to be active members, however, there will be no pressure to serve immediately within a department, unless you are led to do so. The following will be implemented once your membership has been processed.
